2008-2009 Resource Catalogue

Building Relationships

Une Section En Français
Est Incluse Dans Ce Catalogue

Dear CSB leader,

Welcome to our 2008-2009 resource catalogue! Inside you'll find a short introduction to our core programs followed by the print, clothing, and other resources we offer to support you and your church in bringing a successful CSB program to your young men and boys.

Did you know CSB has been seeking to grow godly young men for more than seven decades now? The materials available in this catalogue bring all this experience together to help you see Christ formed in the lives of the boys and teens in your church. One program making its debut in this catalogue is our new TREKS program. TREKS is based on our acclaimed Stockade material for boys aged 8-11, but is less structured and can be offered in a variety of mentoring contexts from one-on-one to small groups or even large groups operating without the Stockade uniforms and more structured program distinctives.

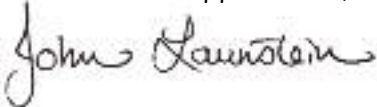

You may notice that we are no longer offering our Girls Alive program. This decision was a difficult one for us but we do believe we are following God's call and leading to focus all our energies and passion into reaching and growing young men and boys for Christ. We are also happy to announce our partnership with GEMS Girls Clubs (who share the same sense of mission directed uniquely to today's girls and young women), and would be happy to help you discover their program offerings.

One of the reasons this catalogue has reverted back to a one-year duration is because we have a number of new initiatives under way and don't want to wait two years to introduce them to you!

We also want to take a moment and ask you to help us on an important area of our ministry we're focusing on this year. We're seeking to re-establish relationship with our CSB alumni...this means anyone who has been involved with CSB as a boy or as a former leader. If you fit into this category or know anyone who does, please drop us a line at Canada@csbministries.org to be included in our new Alumni Connections newsletter as well as be kept informed about a number of events we are planning this year.

Thank you for your interest in and support of CSB Ministries in Canada! We hope you enjoy the catalogue and find it easy to use for all your resource needs. You may place your orders by phone, fax, e-mail or Canada Post...you can be assured of our commitment to turn your order around as quickly as possible! And as always, we welcome your input and feedback.

With heartfelt appreciation,

John Launstein

Boys Ages 12–18

WHERE LEADERSHIP BEGINS

The Battalion program for teenage boys, 12 to 18 years old, is an ideal tool for a church to build future Christian leaders. If today's teens are to become tomorrow's leaders, they must be given the opportunity to observe examples of leadership and to test their own leadership abilities. Battalion offers young men of your church this opportunity!

Battalion is specifically designed to give young men an opportunity to be mentored by godly, Christian men. Small group fellowship, personal accountability and leadership development are all part of the weekly Battalion meeting.

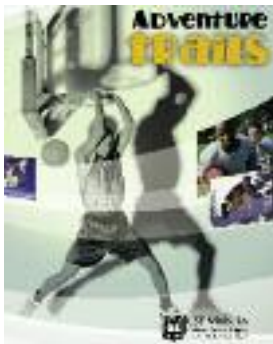

Through games, group and individual achievement, exciting activities designed specifically for young men, and application of biblical truths, teenagers develop their character under the discipleship of older Christian men.

The Battalion program is not just about book learning. It involves active servant-leadership on a weekly basis. A successful Battalion gives young men a passion to actively seek ways to serve Jesus Christ.

Program Distinctives

- Christian men invest time building life-long relationships with teenage boys.
- Young men are given opportunities to lead alongside older men.
- Young men experience and develop peer-to-peer discipling skills.
- Fellowship and accountability are created between the older and younger men.
- Men of all ages learn the value of discipling and servant-leadership.

mentally. The achievements will inspire each boy and help him along the way to spiritual maturity. The completion of each rank provides boys with the Rank Basics. Comes in a 3 ring binder.

MEN REACHING BOYS

One word describes Stockade: excitement. One word describes junior-aged boys: energy. Together, they make a winning weekly program for boys and men!

The Stockade program, for boys ages 8 to 11, combines achievement projects, crafts, games, Bible memory, and group activities with godly men. This unique combination draws men and boys into fellowship, stimulates their love for Jesus Christ and encourages their desire to serve Him.

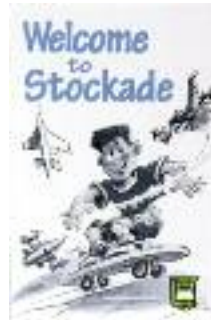

Through Stockade, boys learn to look to Christian men as their guides, counselors and models of Christlike manhood. It is through this unique blending of men, boys and the Stockade program that your church begins to build Christian men.

The hour and a half weekly Stockade meeting involves a healthy dose of games, activities, group and personal achievement, and a constant emphasis on biblical truth through stories and Scripture-learning. Activities outside the weekly meeting are also encouraged.

Program Distinctives

- Boys interact with godly men and see Christlike manhood.
- Christian service is integrated into the Stockade program, thereby teaching boys firsthand about serving others.
- Boys begin to develop lasting relationships with godly men who will help them as they mature physically, emotionally, intellectually and spiritually (Luke 2:52).

We are passionate about the unique needs of boys and seeing godly men model their faith among them. Are you aware of the challenges facing boys today? Does your church need to provide more focused attention to them? Authors like James Dobson and Leonard Sax have written about their unique needs. Seven Points of Valour

Read the definitions of each of these points and then be ready to explain each one in your own words. An important part of knowing these points is to demonstrate them in your actions each day. The person who knows the meaning of “honour” and “courage” and yet is dishonourable or cowardly reveals very weak character. Your leader will be counting on you to actually live these important points as well as know them.

Seven points test your valour as a man. Each of the first six tests a different aspect of your character and measures you according to high standard. The seventh, the core of Christian discipleship, includes them all and more.

Honour

The man of honour is the man whose word is true. Once spoken, his word is his promise, and he will do all in his power to carry out that word. David describes this man in Ps. 15:1-2.

Lord, who may dwell in your sanctuary? Who may live on your holy hill? He whose walk is blameless and who does what is righteous, who speaks the truth from his heart (NIV)

Courage

No fear can overcome the courageous soldier's purpose to follow his leader. In the strength of Christ, as leader, the Christian soldier can always triumph. God's promise in Joshua 1:9 is just as true today.

Have I not commanded you? Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you where ever you go. (NIV)

Chivalry

A gentleman would rather suffer personal loss than to allow disrespect to be shown to someone weaker than himself. He honours every woman as he would his own mother. He is always ready to be strong in behalf of anyone weaker than himself. The Apostle Paul reminds the Christian of his responsibility in Romans 15:1

We who are strong ought to bear with the failings of the weak and not to please ourselves. (NIV)

Purity

We read of Sir Galahad, the famed knight of King Arthur, “My strength is as the strength of ten, because my heart is pure.” To be clean in heart, mind, speech and body is to be strong. True purity is a priceless treasure; once sold, it cannot be bought back. Psalm 119:9 reminds us of the purity in daily life.

How can a young man keep his way pure? By living according to your word. (NIV)

Loyalty

Loyalty also means faithfulness, devotion and allegiance. Devotion to God and to His Word, and faithfulness to home, school, country, CSB Battalion and friends are evidences of such loyalty. An encouraging challenge to Christian loyalty is given in I Corinthians 15:58

Stand firm. Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain. (NIV)

Obedience

When a request or command is spoken by his leader, the good soldier will not question it. Obedience - first to God, then to parents, and to one's leader - is a sure mark of true valour. A young man who knows how to obey will be better available to lead others. John 14:21 states that obedience is a sign of devotion to Christ.

Whoever has my commands and obeys them, he is the one who loves me. (NIV)

Dedication

The highest aim of Christian Service Brigade is the whole-hearted dedication of boys and men to the Lord Jesus Christ. Such dedication involves a denial of selfish ambition and the complete surrender of all that you have - body, mind, strength, possessions - to the control of Christ. Jesus gave the pattern for dedication to His disciples in Luke 9:23-24.

Then he said to them all: “ If anyone would come after me, he must deny himself and take up his cross daily and follow me. For whoever wants to save his life will lose it, but whoever loses his life for me will save it. (NIV)
